- All joinery work in mahogany wood, slight difference of hue is possible, matt varnish, horizontal (creamcolored) stripes on bulkheads
- Forward cabin with double berth
- Heads compartment in forward cabin with marine toilet and holding tank 47 L
- Rectangular table in saloon with seat and backrest
- Chart table in saloon
- Heads compartment aft in saloon with marine toilet and holding tank 47 L
- Two aft cabins with double berths and lockers
- Upholstery

Galley

- Double sink with covers
- 2-burner gas stove with oven
- Gas installation
- Refrigerator 90 L air cooled
- Cupboards for kitchenware
- Single lever tap for hot and cold water
- Work surfaces (light colour)
- Waste basket
- Fire extinguisher

Electrical system

- Master electric panel, indicator of battery charging, level gauges for water, waste water and diesel tank
- Battery charger 230V/12V/40A with cable 17 m and plug
- Main electrical switches
- Interior LED lighting
- 1 socket 12 V
- 4 sockets 230 V (toilets, chart table, galley)
- House batteries 2 x 100 Ah and starting battery 1 x 80 Ah

Water system

- Drinking water tank 320 L
- Warm water system
- Water pressure system
- 1 electric bilge pump
- 1 manual bilge pump

Engine

- Volvo Penta D2-40, S-drive with fixed 2 blade propeller 17"/14"
- Sound insulation 30 mm, 100kg/m³
- Fuel tank 210 L
- Automatic fire extinguisher in engine bay

Electronics

- B&G Triton, Speed/Depth

Other

- Foil wrapping

Equipment options

Hull

- 2 steering wheel version
- Burgundy hull
- Dark blue hull
- Graphite hull
- White water line stripes
- Burgundy water line stripes
- Golden water line stripes
- Blue water line stripes
- Silver water line stripes
- Spare water line stripes
- Non opening hatches in hull, one on each side
- Defending strip along hull
- Windlass 1000W Quick
- Anchor Delta 16 kg with 50 m 8 mm galvanized chain
- Oppenig gates in lifelines
- Deck washing set
- 6 fenders, 4 docking lines
- Antifouling - white colour
- Outboard mounting plate on the pushpit
- Teak deck

Cockpit

- Sprayhood - dark grey colour (No: 1A)
- Bimini - dark grey colour (No: 1A), covering entire cockpit, with small revisory window

- Pleat window shutters for side windows
- Standard fabric:

- Optional fabric:
- 2 electric toilets

Galley

- Double fridge with drawers DR-49
- Outboard water pump in galley
- Valve on deck for external pressured water supply (connected to water system on boat)
- Work surface in corian
- Electronics
- Garmin GWS 10 (transducer)
- Garmin GWS 10 with separate display
- Raymarine i70 Instrument - display, depth and speed sensor
- Raymarine i70 Wind - transducer (working only with i70 Instrument)
- Raymarine i70 Wind with separate display
- Chartplotter Garmin GPS MAP 526s
- Chartplotter Garmin GPS MAP 720s
- Chartplotter Raymarine A50 with built in GPS antenna
- Chartplotter Raymarine e7 with built in GPS antenna
- Interface NMEA monitoring engine parameters (works only with Volvo engines)
- AIS 650 Raymarine
- AIS 600 Garmin
- Radar antenna 4 kW
- Garmin VHF 100i
- Garmin VHF 200i mounted at chart table + wireless hand-set mounted at steering pedestal
- Autopilot Garmin GHP 12 (when plotter 720s is ordered then additional box is given)
- Autopilot Raymarine SPX 10
- VHF Ray 49E with DSC, cable in mast and antenna
- VHF Ray 55E with DSC, cable in mast and antenna mounted at chart table, second station Ray Mic at steering pedestal
- Audiopack Sony ,radio with MP3, CD, USB, 2 speakers inside, antenna
- Additional speakers in cockpit
- Samsung LED TV 32 ", antenna
- Extra battery 100 Ah + bigger battery charger
- Electronic horn Marco with push button in cockpit
- Wind generator Rutland 913

Engine

- Folding propeller 3-blade, Gori, D2-40, S-drive
- Engine Volvo 55 HP
- Folding propeller 3-blade, Gori, D2-55, S-drive
- Folding propeller 2-blade, Gori, D2-55, propeller shaft
- Bow thruster (tunnel) 4 kW + battery
- Webasto Air Top 5500
- Air-conditioning in saloon, 8000 BTU (working only with shore power)
- Air-conditioning in saloon and cabins, 14000 BTU + 6000 BTU (working only with shore power)
- Diesel generator 3,8 kW, 230 V, 50 Hz (reduction of aft cabins)

Transport

- Transport cradle
- Boat returning into production line and repacking
- Preparation for transport on the side of the boat

Other

- Short keel draft 1,8 m
- Lead keel, draft 2,27 m
- Swing keel version, draft 0,98 / 1,95 m, engine Nanni N4.38, propeller shaft
